**HELLENIC
WAR RISKS**

These are higher risk areas, where ships are more exposed to war risks. The areas are excluded from annual war risks cover. We offer cover for ships trading to these areas, subject to an Additional Premium ("AP").

The AP charged varies depending on the situation in the area when the ship calls there.

For guidance, this map illustrates AP Areas worldwide as at 1 October 2014. See over for details by region. Changes to AP Areas may be made at short notice. To confirm the latest list of AP Areas and full details of the ports, places, countries, zones and areas listed, please refer to the Club website www.hellenicwarrisks.com.
